The Woodlands Waterway Arts Festival was a great success in 2009 with increased attendance and wonderful weather. As a Charity Partner of the WWAFF, the Woodlands Art League played a role in making it happen for the Woodlands and the surrounding area. WAL volunteers, together with the assistance of volunteers from the Tomball Art League, the Conroe Art League, North West Art League, City Artworks, Abilustudios and many unaffiliated individuals, increased the number of volunteer hours donated to over 500, exceeding the goal by more than 25% and exceeding the previous year's volunteer hours by 40%!

Volunteers served in a variety of roles from artist's relief, manning information desks, serving as judges, giving painting demonstrations, participating in painting demos, and creating and managing the AR-TOPOLY children's program. Many thanks to all who donated time to a great cause! .

Thanks also go to the organizers of the WWAFF, led by Director Brenda Gottlieb, who gave WAL the opportunity to be a Charity Partner.

To honor and thank all the WWAFF Volunteers, WAL is changing its usual schedule and holding the first General Meeting of the fiscal year in June. The meeting will be Thursday, June 25, 2009 at the South County Community Center. If possible, members are asked to bring a covered dish, art to share and possibly a guest to introduce and share the fun. There will be no demo or business (other than accepting dues and membership applications).

**Just eat, drink, enjoy the art and be merry.**

All great masters are chiefly distinguished by the power of adding a second, a third, and perhaps a fourth step in a continuous line. Many a man had taken the first step. With every additional step you enhance immensely the value of your first.
